

GWR Roofing

Solid service. Solid relationships.

Corporate Profile

2022

As a **fully insured, ITC Category A installer**, we provide **professional roofing services**, on time, all the time.

Our “no hassle” return policy is based on building solid relationships and maintaining our professional standing!

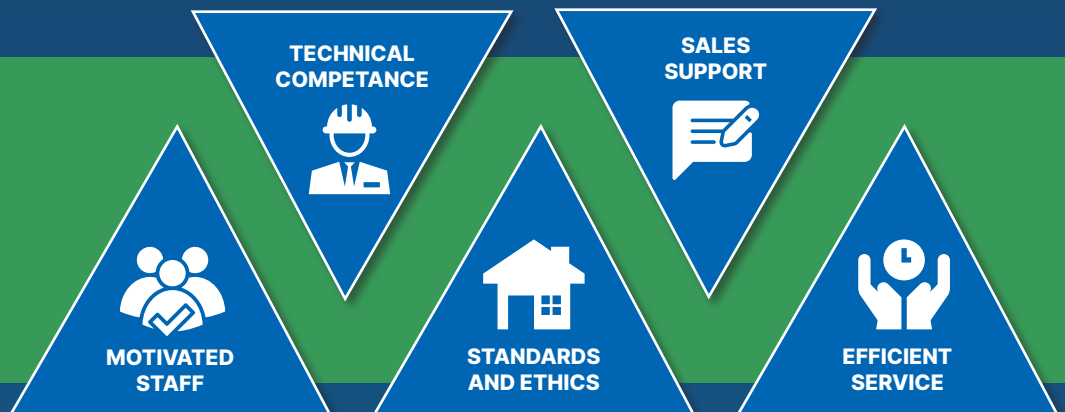

Our Vision

Our vision is to build solid relationships by offering superior service. We aspire to be the reliable and ethical roofing company of choice.

Our Mission

To empower our staff in order to place our clients first and deliver economic, effective, and ethical service to all of our stakeholders.

What sets us apart?

We believe in Respect

Valuing our staff is the core of our culture and results in a motivated work force who remain dedicated to the professional delivery of all of our projects.

Our supervised operations are carefully planned to ensure that our work sites are effectively managed and scheduled to avoid overbooking, unnecessary frustration and the waste of materials and time.

Our staff uphold our strict commitment to ethics and standards and are carefully selected and trained to consistently provide you with exceptional service.

We are compliant with all occupational health and safety regulations.
